Lutz Pamberger (MAPS) trained in **Clinical Psychology** in Germany.

He undertook further training in **Gestalt therapy** with the Gestalt Centre Berlin, The Gestalt Therapy Institute of Los Angeles and in **Family Constellations therapy** as developed by Bert Hellinger with the Human Systems Institute, Portland (USA) and the International Systemic Constellations Association (ISCA) in Germany.

Lutz is a Registered Psychologist, a member of The Australian Psychological Society (APS) and its College of Counselling Psychologists. He has lectured in counselling at The University of Notre Dame.

Having practised as a psychologist for 30 years, Lutz discovered in Family Constellations therapy

Lutz is happily married to his wife, Sally. They work together with **individuals, couples** and **families**, promoting **healthy, vibrant** and **fulfilling relationships**.

FAMILY CONSTELLATIONS WORK was developed by **Bert Hellinger**.

Hellinger's powerful, cutting-edge work has been broadly applied to family and individual therapy, homoeopathy and organisational consultation with remarkable results.

If you

- Find it difficult to open up in relationships
- Feel that you are carrying a burden that may not belong to you
- Feel like something is holding you back
- Feel depressed and don't know why...

... Then this workshop may be for you.

Hellinger's application of the **Orders of Love** can support the love in your family system to flow when it brings family entanglements to light.

As a result, you may experience more **peace** within yourself, with your family members and a **greater sense of being in charge of your life**, as you explore issues in a supportive and confidential group setting.

This workshop will also provide an introduction for people who are interested in undertaking the Systemic Constellations Training with Lutz, which commences on April 9.

If you are interested in attending the training you are encouraged to attend this workshop first.

Workshop fee *includes morning and afternoon tea.*

Please bring your own lunch.

PAYMENT IS REQUIRED ON BOOKING TO SECURE YOUR PLACE.

Bookings must be made by Friday 5 March.
